

CANOPIES & FIXED FRAMES

Canopies are a great way to protect your doorway or renovate your windows by installing a custom-built canopy.

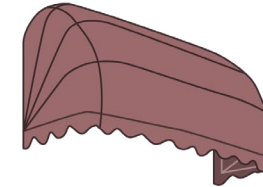

There is a Canopy to suit all applications, no matter what architectural style, covered in Acrylic, Canvas, Mesh or PVC.

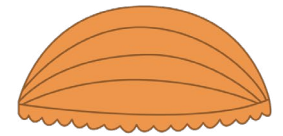

A custom-built canopy will complete the look with many styles to choose from:

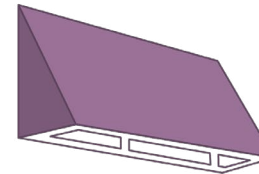

French

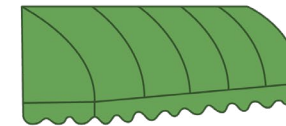

Dutch

Florentine

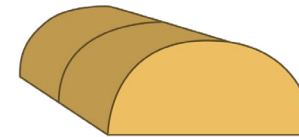

Wedge

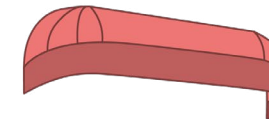

Convex

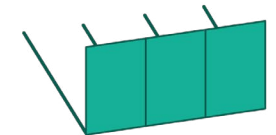

Umbrella

Walkway

Bullnose

Fixed Frame/
Shop Front

Canopy Frame Specifications

All frames are Aluminium Extrusion with rubber insets, frames can be powder coated.
