# Description:

## Versatile retractable fly screens for doors and windows

Our versatile retractable screens cater to a variety of doors and windows, including:

- French doors
- Bi-Fold doors
- Entry doors
- Sliding stacker doors
- Sliding doors
- Servery windows
- Bi-fold windows
- Awning windows
- Casement windows
- Sliding windows
- Double hung windows

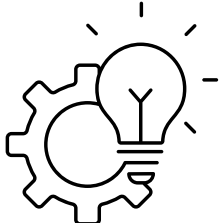

The Trackless Pleated Flyscreen is a completely barrier-free product, allowing easier access for vacuum machines, prams, wheelchair and bikes. There is only a thin plate for fixing the frameless door still. The Trackless Pleated Flyscreen is a multi-purpose screen, allows installation on a variety of window and door types. The handle and mesh sections of the Trackless Pleated Flyscreen can be self-disassembled by the user, allowing convenient cleaning for care and maintenance.
